WE WISH THIS WOULD HAPPEN TO US

SPRING BREAK

I've been out of college for a few years now, but every year as it starts to heat up, I always end up thinking about one particularly amazing college Spring Break that heated up in an entirely different way.

My girl and I partnered up with a few other couples to get ourselves a place on the beach for the week. We went out and explored as a group, but back at the house, none of us really saw much of the other couples, since it was one of the few times during the school term that we all had private rooms.

However, Friday night, we all decided to get some drinks and light up the hot tub. As we all sat around, snuggled up in couple pairs in each corner, the alcohol quickly got a game of Truth or

Dare going. As the truths became more and more revealing, my girlfriend finally said dare.

My buddy across from us flashed a wicked grin and most of the tub whistled and laughed. It had already been accepted and established that the first dare was going to take off something. I was actually most surprised that it was my girl who took the plunge first. And as soon as my buddy commanded it, her top was off, dangled in front of everyone for them to see before she threw it wildly back toward the house.

I think for my benefit, she kept her large boobs under the water, but only just, and I could tell that she enjoyed having all those eyes on her. I pulled her closer and gave a squeeze to her now open chest, taking some comfort that at least I was the one allowed to do that.

Within a few minutes, though, all eight of us were completely naked in the tub, all our swimwear in a messy, mixed pile on the deck far from use. There wasn't much left to dare, until my girl dared me to kiss my buddy's girl across the way. As I sat there shocked that she had something like this, my dick jumping under the water, she added that she wanted it to be like the way I kiss her.

I swallowed and looked across for permission. My buddy just shrugged and told me a dare was sacred. His girl shoved him and leaned forward in the water, grabbing the back of my head to pull me closer to start making out with me.

By the time we pulled back, the entire group was gaping at us. I don't know what made me say it, but as I leaned back with a smug look in my eye, I pointed at my

Before I knew it, I was laying back on a deck chair as my buddy's girl was lap dancing with my hard pole. I felt her grabbing me with her pussy,

girl and buddy. "Now you two," I told them, feeling my body heat up as they quickly complied. Except, instead of just leaning in to make out, they wrapped their arms around each other, my buddy pulling my girl on his lap, where she started bouncing and grinding away at him.

That seemed to be the signal for everyone to suddenly start sharing partners. I ended up with a girl on each side, making out with each in turn, while they had another guy on the other side who they would make out with when it wasn't us. All the while, my buddy and girl were in the center of the tub, her now so clearly riding him that she was screaming into the night.

My girl's screams always got me going, and I stood up, wrapping an arm around the girl on my right and leaning her over the side of the tub. I leaned down toward her smooth ass in my face and started to slowly eat her out, eyes still darting toward my girl, who always loved when I did it for her. She picked up her pace and dared me to "do it."

As the girl in front of me bit her lip in agreement, I stood up and shoved my cock deep in her ass. She let out a wild scream, followed a few seconds later by a couple more from the other girls who'd been taken just after. One couple took the deck right next to the tub, while the last two were on a deck chair. No one was with

their own, all of us staring at our own, daring each other to go further, harder, and faster with our eyes.

I leaned back over my shoulder and tried to make out with my girl,

who leaned in teasingly before calling out for everyone to switch. Before I knew it, I was laying back on a deck chair as my buddy's girl was lap dancing with my hard pole. I felt her grabbing me with her pussy, pulling me in and letting me out as she grinded harder.

The moans now blended, and it was getting harder to think straight as the pleasure overwhelmed us. By the time we finished, showering my girl with all our juice as

To CLUB LATINA:

Gotta write you and tell you what a hot pictorial that was of the Ariella in the last issue of Club Latina. She's the

woman of many of my fantasies, and I love watching her videos. I would love to be on a deserted island with her. We would only have each other, and coconuts. No need for clothes or food, just sunscreen. We could do each other all day long in our little beach hut with the palm tree leaves for the roof.

We'd fuck in the morning, then take a siesta in the afternoon, and then we'd fuck again in the evening.

We'd do that every day, but rest

on Sunday. My stamina would be enough for that. I know her pussy would need a break from me. So I would be fine with a nice long, slow blow job from her (who wouldn't). And when her mouth got tired, I would rub her marvelous butt cheeks and work my way into her tight little butt hole and fuck that. I'm sure she's love that as she sipped on coconut milk.

– Ramon in Houston

I ripped open her pants and shoved my dick deep up her pussy. I will never forget the moan, the pleasure that we both gave each other.

all the girls made out in front of us, every guy had taken every girl. And, as my girl and I headed back to our room to clean up, she made it very clear that the night was only just beginning.

TIGHT QUARTERS

I never intended on joining the mile high club. But when the moment strikes, life is about taking that chance. It started on a flight cross country a few weeks ago. I was by myself and made sure I got the window seat so that I could go to sleep for the flight like I usually do. What I didn't expect was the beautiful woman who sat down next to me.

At first, I tried not to notice, but this was someone you just couldn't not notice. Long, flowing brown hair, a face that seemed both youthful and timeless, like someone who'd seen and enjoyed life and still knew the secret to a happy one.

She had a cool presence, confident in herself, even here on an airplane. I just couldn't keep my eyes and mind off her, though I tried. When she commandeered the arm rest, I folded up against the other side of the seat and leaned against the window, which worked until just after takeoff when her hand brushed my leg.

The first time, I was certain that it had been an accident,

given the size of the seats on the plane, but the second time, and definitely the third time, it was clear she was trying to get my attention. And she had it. I tried to fold myself up a little more, but the most important part of me was just extending.

She was older, yes, but she showed her experience and desires in a way that I really

cock, and the look in her eyes was absolutely devilish.

I excused myself to the bathroom, and though she moved her legs, she didn't stand, forcing me to scoot by her with my tenting pants in her face. I made it back to the bathroom, and just as I was closing the door, it catches, and when I pulled it back, she was there with a soft smile. She al-

couldn't say no to, and I wasn't sure that I really wanted to.

I tried to fall back one more time, hoping that if I didn't give her the attention, I could maybe just make it. Instead, her hand drifted down my leg again, this time finding my hard throbbing

lowed herself in, somehow knowing how much I wanted this despite my outward fear. The door clicked and we were packed in the bathroom with little room to move.

And yet, she found the room she needed. She pushed me back

She let out a scream, and I was so close that it took only a few thrusts to start shooting five or six helpings deep in her.

toward the toilet and knelt in front of me. She asked me if I was okay, to which I could only nod, when she reached out to undo my button and unzip my jeans. My dick sprang to life like I kept it caged

Her tongue lashed around my head and flickered at my slit sending so much pleasure through me that I hardly could tell everything she was doing. Long fingernails played with my balls just under

all the time, popping out in front of her hungry gaze. With surprisingly gentle hands, she jacked me off for a few strokes before leaning in and taking it into her mouth fully.

She was so deep I almost gagged, leaning back and letting out a moan that I hoped the plane's engines would cover up.

her mouth and I was realizing just how bad I wanted to blow.

Yet, she wouldn't let me. I couldn't take control back from her, not this way. Her fingers continued to move and eventually, she slid one or two up my ass, which sent another shock through me. I know I screamed more than once, but since no one interrupted us,

I grew more confident. I wanted this, yes! I started to thrust in her mouth, reaching out to grab her head and shoving it deeper into her throat.

She was game for all of it, taking my cock as deep as I could give it, and hard as I could slam it. Finally, I pulled her up off my cock and took a quick, hard kiss as I shoved her back against the door. I ripped open her pants and shoved my dick deep up her pussy. I will never forget the moan, the pleasure that we both gave each other.

She let out a scream, and I was so close that it took only a few thrusts to start shooting five or six helpings deep in her. We stood there holding each other for a minute, me still milking, before she simply pulled her pants back up and headed out of the bathroom, leaving me there alone with my thoughts.

We didn't speak the rest of the flight, nor did she rub my leg again, but as we got off the plane, I knew exactly who it was who followed me into the large family bathroom.

Sophia

Sometimes Sophia's best fuck sessions come out of nowhere. Some times she's just getting ready for the day when her man comes up behind her and bends her over the island. Those times are the easiest to really let loose and get wild. Maybe they'll forget they have somewhere to be, and fuck all day long.

Rebecca & Gracie

Best friends Rebeca and Gracie share everything. From clothes to meals, and if it can be split, it will be. Up until now, the only thing off limits was the boyfriend, but why should he be? They're two smoking hot girls and he's a boy with a nice cock. This story writes itself. Let's hope it's one with a happy ending.

Daisy

Daisy's been wanting to fuck Johnny for quite a while now. She's been looking at this couch all day thinking it's the perfect place to do it. One pipe laying with her pretty pussy just isn't enough. To really get her fill, she'll need her man, and her favorite toys, to truly make her evening.

This is my ideal night in!

SHE WALKED INTO THE STORE, AND MY LIFE

closeout

Thirty minutes remained of my last shift.

I paced the empty shop, biding my time until the clock struck six. It had been a slow day, especially for a Saturday. Not that it mattered. Not even a mob of shoppers could've saved the family business.

After a respectable four-year-run, their shop was biting the big one. Today was the dreaded swan song, the final day of a closeout sale that had kicked off two weeks prior. Come six, our home away from home would be gone forever. I gave serious consideration to closing early.

Hell, why not?

I hadn't had a single customer in the last two hours. It was a beautiful summer day. Doubtless everybody was at the beach, taking full advantage of the sunny weather. I wanted to be right there with them. Oh well, I mused, there was always tomorrow . . .

Ding!

The bell heralding a new customer demanded my attention.

Enter Rosa Garcia . . .

We had gone to the same high school where she was a cheerleader and tennis player; her prowess in the latter had earned her a college scholarship. She didn't seem to recognize me. Or maybe she was ignoring me.

We hadn't run with the same crowd. And it had been three years since we had graduated, long enough for her memory to fade.

As for me—well, I could never forget Rosa . . .

Time had been most kind to my old classmate; if anything, she looked even better. Rosa was wearing a short black skirt with matching sleeveless top. Fresh from shopping at the mall, I reasoned. Her long dark hair was pulled back in a ponytail. Her legs were tanned and toned . . .

"Can I help you find something?" I asked her.

Rosa looked at me and smiled. "Hey," she said, "I know you. We went to high school together. Don't tell me . . ."

". . . Ricky!" she blurted.

"That's right," I told her. "You've got a good memory, Rosa."

We engaged in idle chitchat. Rosa was home for the summer. She was looking forward to her senior year at the state's largest, most prestigious university. I told her that I had forgone college to work at my parents' store.

"Well," she said, "it's never too late."

"I guess not."

Rosa selected a bikini and headed to the change room. I gazed at her long legs, the hem of her skimpy skirt as it swished back and forth, scarcely concealing the tightest apple ass imaginable.

"What I wouldn't give," I muttered under my breath, "to be a fly on the wall."

I waited at the register while Rosa tried on the swimsuit. The store would be closing in fifteen minutes. I didn't really care if she bought the bikini or not. It hardly mattered at this point. One lousy swimsuit wasn't going to keep the place afloat.

"Ricky," Rosa called from the rear of the store, "could you help me a sec?"

My first thought was that she was having trouble with the change room door. That damn latch had been a problem for months. Imagine my surprise when I found her standing there in the change room, door wide open, examining

herself in the mirror.

"What do you think?" she asked me.

The bikini fit her perfectly, leaving precious little to my imagination. The crimson material contrasted nicely with her flawless skin. Rosa turned this way and that before the mirror, scrutinizing her reflection, smiling coyly as she did so.

"What's the matter, Ricky?"

"Uh . . ."

"Cat got your tongue?"

"Um—"

"I asked for your opinion. After all, you're the salesman."

"It looks great," I finally managed to say. "Perfect, really."

"You think so?"

"Definitely."

"I'll take it."

"Excellent choice, Rosa. I'll meet you back up front."

I turned to leave.

"Not so fast, Ricky."

I felt her hand on my shoulder, her hot breath in my ear.

"Go lock up," she said. "I'd hate for us to get interrupted . . ."

I wasn't the smartest guy, but it hardly took an aerospace engineer to decipher her not so subtle language. Rosa was definitely down to fuck . . .

My pulse pounding with excitement, I locked the front door. It was ten till six, but I couldn't have cared less. I flipped the dangling cardboard sign to CLOSED, and rejoined Rosa in the change room.

The bikini top was on the carpeted floor alongside her tennis outfit. She sat on the little wooden bench, rubbing and massaging her tits. Hers were the tits of a serious athlete, firm B-cups. "Are we locked in?" she asked.

"Safe and secure," I replied.

She beckoned me with her finger, licking her lips lasciviously. I closed the gap between us. Standing before her, I watched with a sense of unreality as she unzipped my shorts and withdrew my pecker.

I was already quite hard when Rosa, holding me with one hand, licked my shaft, balls to engorged cap. She did this numerous times, brushing me adroitly, lapping like a thirsty dog. Suddenly she took me in her mouth, devouring my cock in earnest. Digging her fingertips into my hips, she whipped her head to and fro. Her lips glided up and down my turgid rod with increasing speed.

It wasn't long before I got into the act, thrusting my pelvis to meet her face. She grabbed my hips with more force, holding me as tightly as she could while I reamed her mouth, plunging my dick repeatedly.

I ran my fingers through Rosa's golden locks, removing her ponytail tie, letting her hair cascade freely. She moaned and groaned around my prick.

She licked and nibbled my nuts, all the while stroking me with her hand. Rosa tugged my prong, fast-slow-fast-slow, treating me to the best hand job I had ever had.

Still, I was ready to fuck her, more than ready. "That feels good, baby, but I want to stick it in your dirty little college cunt . . ."

Rosa licked my balls one last time; then, still sitting on the bench, removed her bikini bottom. I gazed at her landing strip longingly. Her dewy cleft peeked through a meticulously trimmed bush, tantalizing me with the promise of tight heat.

The bench was just long enough to accommodate Rosa as she lay atop its smooth surface and parted her legs. I removed one slip-on sneaker, then the other, this before shedding my shorts and briefs in a single shuck.

She rubbed her pink crevice with one hand, using the other to rove her tits. I considered going down on her, reciprocating the oral pleasure she had bestowed upon me. But I rejected this idea. Call me selfish. My dick was throbbing for her fuck hole. I couldn't delay any longer, couldn't defer what was sure to be the best lay of my life.

I straddled the bench, standing above Rosa as she pulled her legs back as far as they would go. Years of rigorous tennis training had made her quite flexible. Her muscled thighs pressed against her ripped core.

Her gash was splayed nice and wide. I could see its inner walls, slick and pink . . .

I guided my prick into Rosa's hot core, entering her with a hard thrust which made us both gasp. She felt amazing, beyond my wildest fantasies. Her snatch gripped my tool in its softly snug embrace.

Take it easy, I told myself. Start off nice and slow, fellow. You don't want to disappoint her, don't want to come too soon. Rosa had given me the opportunity of a lifetime. I vowed to take full advantage of our precious time together.

Wanting to go the distance, I thrust at a sensible pace. My old classmate moved with me, synching her hips to mine; we were a good fit, Rosa and I, our motions those of longtime lovers intimately familiar with each other.

Gradually increasing the cadence of my thrusts, I watched my cock plunge in and out of her hairy peach; this visual treat heightened my excitement, spurring me to fuck her harder and faster. The bench creaked beneath us.

I thought we would finish in this manner.

Rosa had other ideas . . .

I lay on the bench, having switched positions with Rosa, taking in every inch of her spectacular body as she straddled our makeshift bed. Long blonde hair framed her features as she leaned over me. I felt her fingers grasp my rod, maneuvering it between her velvety lips. Then she lowered her hips and impaled herself.

She proceeded with lusty abandon, pumping her pelvis rhythmically. Her smallish tits jiggled ever so slightly, taunting me to fondle them, a taunt I was powerless to resist. I raised my hands. Rosa delighted in my touch, riding my pole with mounting vigor.

Her face twisted with ecstasy. "Oh, fuck! That's it, baby! That's it! Make my pussy come!!!!"

And I did.

Seconds before blasting her full of ball sauce . . .

A fully dressed and freshly fucked Rosa placed the red bikini on the counter. "Half off, yeah?"

"Put that away," I told her, referring to the credit card in her hand. "It's on the house."

She looked shocked. "Are you serious? This is a hundred dollar suit?"

"Not after the good time you just showed me."

"You don't have to do that."

"Go on. Take it."

She exited the store with a big smile on her face. And I wasn't feeling too shabby myself. Rosa had given me her phone number.
